#### 5.2 Students with a monthly income of no more than R900 (MedMove! only)

Do you want to join as a student member on the MedMove! plan?

 Yes  No

If "Yes", please provide proof of your enrolment as a student. If necessary, we will let you know if we require proof of your monthly income.

- Acceptable proof of enrolment as a student is proof of registration for studies on an official letterhead of the tertiary institution or vocational training college where you are registered as a student.
- Acceptable proof of income, if Medihelp requests this, is the past three months' official bank statements containing the initials and surname of the accountholder reflecting your income. Other additional proof of income may also be required.
- Acceptable proof of continued studies must be provided to Medihelp annually by the requested date, or more frequently if requested by Medihelp.

#### 5.3 Utilisation of savings account funds

##### MedAdd, MedAdd Elect, and MedSaver

Please indicate your preference. If you do not select an option, Medihelp will pay all qualifying medical expenses from your savings account.

- Do you want Medihelp to pay all in-hospital co-payments from your savings account?

 Yes  No

##### MedPrime, MedPrime Elect, and MedElite

- If you enrol on the MedPrime, MedPrime Elect or MedElite plan, all qualifying day-to-day medical expenses will be paid from your savings account first.

#### 5.4 Declaration if you apply for enrolment on MedMove!, MedVital Elect, MedAdd Elect, MedPrime Elect, or MedElect

I confirm that I am aware of the following:

- Co-payments:** I will be liable for co-payments if I do not use Medihelp's network facilities, designated service providers (DSPs), and formulary medicine.
- Chronic medicine:** I must register my prescribed minimum benefit (PMB) conditions with Medihelp and my PMB chronic medicine must be pre-authorized by Medihelp. Medihelp uses a DSP for PMB chronic medicine and a formulary (medicine list) applies. If I do not get my PMB chronic medicine from the DSP or if I deviate from the formulary for my plan, I will be responsible for a co-payment\* on my PMB chronic medicine.
- Network doctors:** To avoid co-payments on PMB treatments, any specialists consulted must form part of Medihelp's DSP specialist network.
- Network facilities:** I must use Medihelp's network facilities for all planned hospital admissions. If there is no network facility available near my place of residence, I will have to travel to the nearest network facility for medical services. If I use a non-network facility instead, I will be liable for a co-payment\*, unless the treatment required is for a medical emergency\* that warrants the involuntary use of a non-network facility. I further note that in a medical emergency, authorisation for admission to the network facility should be obtained on the first workday after the admission if I am unable to get the authorisation on the day of admission.

\* Please refer to the Member guide 2025 for all applicable co-payments and the definition of a medical emergency. Visit the Medihelp website at [www.medihelp.co.za](http://www.medihelp.co.za), click on Plans, then Compare plans, and download the 2025 plan comparison.

9. I understand that this application form is valid for a period of 30 days from the date of signature. The period may be further extended, subject to Medihelp's discretion, up to a maximum of 60 days, after which the application form will be cancelled and I will be required to submit a new application form.
10. I confirm that neither my dependants nor I will be registered as beneficiaries of another registered medical scheme on the date on which I requested membership of Medihelp.
11. I take note that the monthly contribution fees will be due on the first day of enrolment and thereafter on the first day of each subsequent calendar month, and it shall be payable on the date selected by me in section 7. Should my employer/institution, as my authorised agent, undertake to pay my contribution to Medihelp, I give permission to my employer/institution to deduct the amount payable to Medihelp from my salary and pay such amount over to Medihelp. I furthermore give permission that Medihelp may provide the following information to my employer/institution in order to pay contribution: my identity number, my tax certificate information, as well as my dependants' dates of birth, ages, and relationship. I am also responsible for repaying any debt outstanding on my medical savings account, if applicable, should I terminate my membership of Medihelp.
12. I note that a third party paying the contribution on my behalf is not part of the contract with Medihelp and will not receive communication regarding changes in the monthly payable contribution. I undertake to inform the third party of any changes in my contribution and accept that I remain responsible for the payment thereof.
13. I confirm that I am responsible to give advance notice of termination of membership, and that neither my dependants nor I will be registered as beneficiaries of another registered medical scheme while still members of Medihelp.

### Medihelp's rights as a medical scheme

14. I am aware that a three-month general waiting period and/or a 12-month condition-specific waiting period and a late-joiner penalty may be imposed on my membership and that of my registered dependants in terms of the Medical Schemes Act 131 of 1998. Medihelp may finalise my membership without issuing a document containing the conditions of my membership if no waiting period and/or late-joiner penalty is imposed.
15. I am also aware that Medihelp may restrict benefits to be granted and limit amounts/tariffs to be paid in respect of particular services, for example by enforcing co-payments and exclusions.
16. The Rules of Medihelp may provide for various interventions designed to promote cost-effectiveness and appropriateness of services, such as pre-authorisation and using designated service providers.
17. Medihelp may also restrict interchanges between plans to the beginning of a year and require a notice period as set out in the Rules.
18. Medihelp may refuse to pay a claim that is submitted after the period as prescribed in the Rules.
19. I am further aware that my benefits may be suspended if I fail to pay my contribution or debt in full, that my membership may be terminated if any amount remains outstanding 30 days after the date of suspension, and that my account will be handed over for collection.
20. I am aware that Medihelp may increase its contribution annually at the beginning of the year. I also authorise Medihelp to adjust the contribution if necessary due to a change in my membership and to deduct the amended amount or any outstanding contribution amounts from me or the third-party payer/employer/institution I indicated as the authorised payer of my contribution.
